

3582 - AFF - 4400 LB Capacity Foldable Engine Crane

Brand: American Forge & Foundry
Product Code: AFF-3582
Call for Price: 877-805-1154

Short Description

AFF's Engine Cranes are designed for the easy and efficient removal and transport of vehicle engines. All feature four-position telescopic booms, wide stable bases, forged steel hooks with safety latches and heavy-duty swivel casters.

- AFF Engine Cranes are designed for easy and efficient removal and transportation of vehicle engines. All feature four-position telescopic booms, wide stable bases, forged steel hooks with safety latches and heavy duty swivel casters. Superior welds in all locations provide maximum strength and durability.
- Designed for shops with limited space and for maximum portability
- Ideal for rental yards
- The legs easily fold up and away and with the ram completely retracted, this uses an extremely small storage footprint
- 360° hook adds greater flexibility in positioning lifting chains during removal and installation

Description

AFF's Engine Cranes are designed for the easy and efficient removal and transport of vehicle engines. All feature four-position telescopic booms, wide stable bases, forged steel hooks with safety latches and heavy-duty swivel casters.

- AFF Engine Cranes are designed for easy and efficient removal and transportation of vehicle engines. All feature four-position telescopic

booms, wide stable bases, forged steel hooks with safety latches and heavy duty swivel castersH. Superior welds in all locations provide maximum strength and durability.

- Designed for shops with limited space and for maximum portability
- Ideal for rental yards
- The legs easily fold up and away and with the ram completely retracted, this uses an extremely small storage footprint
- 360° hook adds greater flexibility in positioning lifting chains during removal and installation

Specifications
