

852ASD - AFF 30 Ton Super Duty Shop Press

Brand: American Forge & Foundry
Product Code: AFF-852ASD
Call for Price: 877-805-1154

Short Description

AFF super heavy-duty presses. The welded frame and heavier gauge steel make these presses ideal for heavy-duty truck applications, spring shops, industrial, or every day shops that find themselves in need of a “step up” from a regular duty press. A movable press head assembly and included V-Blocks add versatility to these work horses.

Features:

- Welded frame for added strength
- Protective guard, combination ‘V’ block and pressing adapter set included
- Press head moves from side to side for added pressing flexibility
- Liquid filled gauge accurately shows operator pressing force being applied
- Air pressure: 110 - 120 PSI
- Includes multiple use pin and press adapter set
