

Shure SRC-24 Stationary Reel Cabinet 800163

Brand: Shure USA
Product Code: SHU-800163
Call for Price: 877-805-1154

Short Description

Shure SRC-24 Stationary Reel Cabinet measures 24"W and houses 4 supply reels. The Shure Reel Cabinet is a self-contained, functional unit intended to organize and conceal all of your service reel requirements. Stainless steel side roll bars protect the cabinet and hoses, while roller guides allow for smooth hose extension and retraction. A cut-out for the duplex electrical outlet is integrated into the service panel, and the cabinet also features easy access in the rear for service piping and wiring. This unit also features a removable drip tray (plastic or stainless steel), side knock-outs to attach multiple units, and leg levelers. This is a freestanding unit, though anchoring it to the floor or wall is recommended, and quick-release concealment panels are included to enclose and conceal the reels. The SRC-24 comes standard with space available for 4 reels but can be upgraded to house 6 total reels, space permitting. This unit measures 24"W x 75"H x 28"D, and its powder-coated paint finish is available in 22 Shure Signature Colors.

Color choice MUST be specified below. Click [HERE](#) to see the color options available.

Reels are not included, and this unit ships semi-assembled. Note: Freight charges for this product will be calculated after order is placed, and we will contact you with the amount. Please call 800-320-8383 if freight quote is desired before ordering.
