

81006D - Norco 6 Ton Ratchet Style Jack Stands (Pair)

Brand: Norco

Product Code: NOR-81006D

Call for Price: 877-805-1154

Short Description

For automotive use where vehicle is to be supported before making repairs.

FEATURES:

Unique spring loaded pawl provides constant locking pressure against lifting column.

- Four legged base with foot pads for added strength and a more secure footing on asphalt.
- Common machine bolt secures lifting column to stand and provides added strength when stand is continuously lifted and handled by the column.
- Recessed column saddle for acceptance of vehicle panel rail.
- Positive lock handle cannot be disengaged until load is off the saddle column. Lock handle can be used as a carrying handle.
- **ALL STANDS ARE INTENDED TO BE USED IN PAIRS.**
